17th September 2014

Andrew Simpson, Ensure Inheritance

I asked Andrew from Ensure Inheritance to talk to Avril and myself about writing our will

From initial request the process was handled with professionalism, integrity and speed

Andrew came out to see us at a time convenient to ourselves and quickly talked us through the process providing expert advice and within one week we were in possession of our new wills

I have and will continue to recommend Andrew to family, friends and colleagues

Once again thanks for a speedy and above all else quality service

Kind Regards

Avril & Adrian Currie
