Andrew Simpson Morton's Solicitors

At MoreThan Financial we like to get things right the first time and we like to deal with other like-minded people and businesses. I therefore would like to pass my thanks to Andrew Simpson and Morton's Solicitors

I approached Andrew on behalf of myself and my brother to advise us on the legal side of a property in trust that we are beneficiaries of. This trust was set up a while back and the "legal" points and clauses had become somewhat blurred.

Andrew studied the trust document and was then in a position to advise us on the legal side of what we could and could not do. This reaffirmed our own thoughts and pointed out some other issues that we were unaware of.

I have used Andrew and Morton's Solicitors over the last few years for business and personal advice and I can fully recommend their service and their attention to detail.

Thanks again Andrew I will be continuing to look for others who can benefit from your professional, proactive service.

Best Regards
